Sir,

Re the appointment of an Assistant Sanitary Inspector for Tumkur Town Municipality in place of the vaccinator

==00==

In forwarding herewith, in original, the connected records received from the President, Town Municipal Council, Tumkur, on the above subject, I have the honor to state as follows -

The President states that in accordance with the resolution of the Municipal Council held on 17-12-1941, the Director of Public Health, was requested that two Assistant Sanitary Inspectors of II grade be posted instead of one Sanitary Inspector of the first grade But the Director of Public Health could not accede to the request of the Council, on the ground that this is a first class Municipality

Another reference was made to him for posting an Assistant Sanitary Inspector in place of the vaccinator and also to assist the Sanitary Inspector in sanitation work in addition to vaccination work In the meanwhile the vaccinator, who had qualified as a Surveyor was transferred by theDirector of Public Health to the Revenue Department and subsequently an Assistant Sanitary Inspector in the grade 25-1-30 was posted to this Municipality The President now seeks the sanction of Government for his appointment from 17-6-1942

I request that sanction of Government may be kindly ~~accorded~~ obtained in the matter

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District
